The Dr. Stephen Speisman bursary for archival research has been established by the Ontario Jewish Archives in memory of the late Dr. Stephen Speisman, who passed away in October 2008. He served as Director of the Ontario Jewish Archives from 1973 until 1999 and dedicated his life to the preservation of Ontario's Jewish heritage. This bursary is intended to provide financial support to individuals who are working on a thesis, scholarly article or book in the area of Ontario Jewish history, in which records held by the Ontario Jewish Archives are integral to their research. A grant of up to \$500 will be awarded each year to assist one or more researchers with some of the costs incurred while conducting research at the OJA. The application deadline is **Monday, November 6, 2017**.
