Our library has many interesting books on Judaism. Here the student begins to browse for himself, among the great spiritual values of his religion. The library is a "quiet room" and is therefore regularly used for studying.

"A Home Away From Home"

If you are thinking of sending your son or daughter to Queen's University at Kingston, Ont. we would like you to know about the excellent facilities which are being offered by the Hillel Foundation on that Campus.

B'nai B'rith is maintaining this Foundation so that our sons and daughters when they come to Queen's University may find a "Home away from Home". A Home, where they can find a Jewish environment, where they can eat good, clean, wholesome and kosher meals and which is directed by a Rabbi specially qualified to work with College youth.

The Foundation maintains a large house, a few minutes walk from the Campus and beautifully situated on McDonald Park within view of Lake Ontario.

The House is a meeting place for Jewish students. Prominent speakers and artists are presented in a varied cultural program.

On Friday night the candles are lit and Oneg Shabbath Programs are being held. Purim and Chanukah are celebrated traditionally. The Seder is one of the happiest events of the year and Passover meals are served.

Altogether, there is a dynamic Jewish atmosphere in the House.

Needless to say, there are many social activities, dances and parties. Away from home, your son or daughter need never be without friends or without a Home to call at. There is a very happy informal relationship between students and Rabbi, who is always available to help and guide when necessary.

With Hillel House, College life at Queen's is a real Group experience.
